

'A Shared Community Vision'

Electoral Area 'A' Official Community Plan Review Notice of Community Workshops

Now that we have 'A Shared Community Vision', how should we achieve it?

As part of the Electoral Area 'A' Official Community Plan review process, four workshops will be held to develop goals and objectives that help us achieve 'A Shared Community Vision'. Electoral Area 'A' includes the neighbourhoods of Cedar, Cassidy, South Wellington, Yellow Point, and adjacent unincorporated rural areas within the Regional District of Nanaimo.

The Community Workshops are scheduled as follows:

Date	Location	Time	Workshop Title
January 31, 2009	Cedar Community Hall	9:00am–12:00pm	Growth Management
		1:00pm-3:00pm	Community Well-being
February 21, 2009	Cranberry Community Hall 1555 Morden Road	9:00am–12:00pm	Environmental Integrity
		1:00pm-3:00pm	Economic Health

The workshops are a critical component of the Official Community Plan review process and we strongly encourage you to participate. This is an exciting opportunity to provide your input on how you would like your community to achieve its vision for the future.

We value what you have to say. If you are unable to attend the workshops, you can participate in any or all of the workshops at your own pace by going to the project website and downloading one or all of the workshop exercise books. Hard copies of each exercise book are available upon request.

Additional information about the Community Workshops and the Electoral Area 'A' Official Community Plan Review is available at <http://www.asharedcommunityvision.ca>. If you have any questions or comments, please contact Greg Keller, Senior Planner, RDN at (250) 390 – 6510, or email to areaaocpreview@rdn.bc.ca.
